

NEC WMK-3257

Tilt wall mount kit for 32" - 57" NEC displays

Turn your NEC large-screen display into a work of visual art.

NEC Display Solutions' WMK-3257 wall mount kit, an exclusive accessory that supports its 32" - 57" large-screen LCD displays, provides an ideal solution for users looking to put their display on center stage and, in turn, create more walking/working space. The kit supports displays in either landscape or portrait orientation, creating even more possibilities for your mounting projects.

Note: Bottom image shown with 400mm extensions (included).
