## **NEC DISPLAY SOLUTIONS UPGRADES STANDARD WARRANTY ON MD-SERIES**

### ***Advanced Exchange Overnight Service Added to All MD-Series Units***

**CHICAGO – November 26, 2007** – NEC Display Solutions of America, a leading stand-alone provider of commercial and residential LCD, plasma, and projector displays, announced today an upgrade of the standard warranty on the MD-series displays.

Any unit in the MD-series sold after September 1, 2007 will have Advanced Overnight Exchange as the standard level of service for in-warranty products.

Advanced Exchange Overnight Service replaces the defective unit within one business day. This exceptional service allows customers to continue working without interruption by having a replacement unit shipped to them before having to send in the defective unit for repair.

The MD-series new limited 3-year warranty with Advanced Overnight Exchange is now in effect, making it the best limited standard warranty and level of service on the market today.
